1. Parties

This **Service Agreement** is for **Richard McLean** a participant in the National Disability Insurance Scheme (participant), and is made between:

Richard McLean and Recovery Plus on **01/02/2021**. This Service Agreement will be in effect until **09/08/2021**.

2. The NDIS and this Service Agreement

This Service Agreement is made for the purpose of providing supports under the participant's NDIS plan.

The parties agree that this Service Agreement is made in the context of the NDIS, which is a scheme that aims to:

- support the independence and social and economic participation of people with disability; and
- enable people with a disability to exercise choice and control in the pursuit of their goals and the planning and delivery of their supports.

3. Schedule of supports

Recovery Plus agrees to provide the participant Recovery Coach services until the agreed upon end date. The supports and their prices are set out in the attached Schedule of Supports. All prices are GST inclusive (if applicable) and include the cost of providing the supports. Additional expenses (i.e. things that are not included as part of a Participant's NDIS supports) are the responsibility of the participant / participant's representative and are not included in the cost of the supports. Examples include entrance fees, event tickets, meals, etc.

4. Recovery Plus's Responsibilities

Recovery Plus agrees to:

- review the provision of supports at least annually
- once agreed, provide supports that meet the participant's needs at the participant's preferred times.
- communicate openly and honestly in a timely manner.
- treat the participant with courtesy and respect.
- consult the participant on decisions about how supports are provided.
- give the participant information about managing any complaints or disagreements and details of Recovery Plus's cancellation policy.
- listen to the participant's feedback and resolve problems quickly.

- give the participant a minimum of 4 hours of notice if Recovery Plus has to change a scheduled appointment to provide supports.
- give the participant the required notice if Recovery Plus needs to end this Service Agreement (see 'Ending this Service Agreement' below for more information);
- protect the participant's privacy and confidential information.
- provide supports in a manner consistent with all relevant laws, including the *NDIS Act 2013* and Rules, and the Australian Consumer Law.
- keep accurate records on the supports provided to the participant; and
- issue regular invoices and statements of the supports delivered to the participant as per the NDIA's *Terms of Business for Registered Providers*.

5. Responsibilities of the Participant:

The Participant agrees to:

- inform Recovery Plus about how they wish the supports to be delivered to meet the participant's needs.
- treat Recovery Plus workers with courtesy and respect.
- talk to Recovery Plus if the participant has any concerns about the supports being provided.
- give Recovery Plus a minimum of 2 days' notice in advance if the participant cannot make a scheduled appointment, noting that if the notice is not provided by then, Recovery Plus will charge the participant for 100% of the scheduled fee.
- give Recovery Plus the required notice if the participant needs to end this Service Agreement (see 'Ending this Service Agreement' below for more information); and
- let Recovery Plus know immediately if the participant's NDIS plan is suspended or replaced by a new NDIS plan, or the participant stops being a participant in the NDIS.

6. Payments

Recovery Plus will seek payment for their provision of supports after the supports have been delivered. The participant has nominated the Plan Management Provider Plan Partners to manage the funding for NDIS supports provided under this Service Agreement. After providing those supports, Recovery Plus will claim payment for those supports from Plan Partners.

7. Pricing for funded Supports

The fees for the Supports are set in line with the NDIS rules for pricing and support types or as otherwise agreed. Pricing for supports will vary as any NDIS pricing changes are made from the date the changes takes effect.

Where NDIS funding is available, the fees will be the maximum permitted. The fees for Supports will vary in line with any funding changes, on and from the date a funding change takes effect, irrespective of when you are notified of a change.

Current fees and terms are set out in Schedule of supports. Any changes to those Fees will be reflected in statements issued by us. You can also use the resources of the NDIA to see the most up-to-date pricing for funded supports (logon to www.ndis.gov.au and follow the links).

8. Pricing for funded costs and services

To provide funded Supports for Services, additional costs are incurred to undertake preparation work prior to this Agreement. Recovery Plus will seek payment from the NDIA for this preparation work on a case-by-case basis but will not charge for more than 5 hours. Preparation work includes, but is not limited to, risk assessment and minimisation tasks, file

review, discussions with referring bodies such as the relevant NDIS planner, service proposal development, involvement in initial meetings with you and relevant key stakeholders prior to the signing of this Agreement. There may be situations in relation to workplace health and safety, where more than one Specialist is required to attend a meeting. In these situations, we will seek payment from the NDIA for the involvement of both Specialists. Travel to and from any service provision undertaken to provide Supports may incur additional costs. Recovery Plus will seek payment according to the NDIS price guide for all travel related costs.

9. Claiming for non-direct services

Recovery Plus will claim for Non-Face-to-Face activities against the support item, that assist the participant - for example, writing reports, communicating with other members of the support team and other providers about the client's progress.

Recovery Plus will also claim for any research undertaken by the provider, specifically linked to the needs of a participant and to the achievement of the participant's goals.

Recovery Plus will also seek payment for the creation of any NDIS requested reports. A report is considered to have been requested by the NDIA if it is a report that is required at the commencement of a plan that outlines plan objectives and goals, or at plan review that measures functional outcomes against the originally stipulated goals, or that makes recommendations for ongoing needs (informal, community, mainstream or funded supports).

Non- face to face supports will also be charged in accordance with the guidelines, regular notes will be charged at 15 minutes per session, phone consultations and reports will be additional and costed per hour at line-item rate, in line with NDIS guidelines

10. Travel and transportation

Recovery Plus will charge for travel time up to 30 minutes in (MMM 1 -3 areas) and up to 60 mins in (MMM 4-6 areas), for the non-labour costs associated with that travel (at \$0.85 per allowable kilometre).

This charge will be claimed at the hourly rate for the relevant NDIS support item and will be in addition to the charge for the supports provided to you.

11. Changes to this Service Agreement

If changes to the supports or their delivery are required, the parties agree to discuss and review this Service Agreement. The parties agree that any changes to this Service Agreement will be in writing, signed and dated by the parties.
