I wear a few different hats and am an artist, human rights-awarded autobiographer & writer, public speaker/recovery expert, and PhD in arts based research and narrative inquiry.

I provide services to clients on the NDIS, and it is my privilege to offer therapeutic support via my unique arts-life-coaching for marginalized people with mental health & other issues in Melbourne.

If you're looking for help for yourself or someone you know who is on the NDIS to get a 'leg up' with a good dose of light-hearted humor and lived experience with secular ethics that hold kindness in the greatest regard—you just found him!

Read here how I can help!

You can buy a limited edition signed catalogue from my Etsy store below, or you can purchase the catalogue from iBooks or Amazon also.

It chronicles a particular exhibition held at Moorabbin Town Hall in Melbourne in 2012. It has a forward by esteemed writer Stuart Barnes.

It is a lovely solid collection of creativity from that time.
