About my PhD Research

I wear a few different hats and am an artist, human rights-awarded autobiographer & writer, public speaker/recovery expert, and PhD in arts based research and narrative inquiry.

I provide services to clients on the NDIS, and it is my privilege to offer therapeutic support via my unique arts-life-coaching for marginalized people with mental health & other issues in Melbourne.

If you're looking for help for yourself or someone you know who is on the NDIS to get a 'leg up' with a good dose of light-hearted humor and lived experience with secular ethics that hold kindness in the greatest regard—you just found him!

'I HAVE FOR A LONG TIME BEEN INTRIGUED BY RICH MCLEAN'S ARTWORK. QUITE ASIDE FROM THE RANGE OF HIS STYLE, HIS UNIQUE VISION OF THE MODERN WORLD, OR HIS HUGE OUTPUT, I AM ARRESTED, EACH TIME I VIEW HIS WORKS, BY HIS PURE MASTERY OF DRAWING. EVEN IN A QUICK STUDY, ONE CAN SEE THAT EVERY LINE IS THERE WITH AN INNATE SURENESS. WHETHER IT BE A PORTRAIT, THE BACK OF AN OLD HOUSE, A CITYSCAPE OR AN INTERIOR STUDY, EVERY MARK COUNTS. AS A FELLOW ARTIST, I KNOW THIS IS ENVIABLE- AND BELIEVE ME, I AM JEALOUS! IT IS ALSO NOT SIMPLY LEARNT DRAFTSMANSHIP. EACH MARK IS FELT, URGENT AND MEANINGFUL. HE DEPICTS THE ORDINARY AND THE EXTRAORDINARY AND CAPTURES WHAT IT IS TO BE HUMAN.'

"A Certain Beauty in Un-Resolution" is Rich McLean's creative opus which launches us into his aesthetic and affective worlds with the words *"Here's to the crazy ones. The misfits. The rebels. The troublemakers."* I don't know any viewer/readers who would not find themselves in those words and in the images that follow. McLean's

Creativity is the life source of acutely sensitive people. Without creativity, taking another breath to greet the day can be beyond challenging. We all need to communicate our story in some way and Rich's book 'A Certain Beauty In Un-Resolution... ART;' explores his way of communicating how he views the multidimensional landscape of life and beyond. Art is a channel of release and exploration. Rich has never been shy in exploring beyond the boundaries of normality. No true artist ever can.

REVIEW:

'Every so often a book comes along that is meant to educate and help kids, not just on a "learn to read" level, but a deeper level that instills something that stays for life. One such book is "Grogan the Grateful Monster: What Do You Love?"

This book was written from the mindset of a

children's minds and has dedicated some of his creations to make materials that help kids learn and grow.

Grogan the Grateful is an interactive iBook that helps kids learn how to read, and sends a meaningful message at the same time.

Grogan is a baby monster. Once he hatches he starts to wonder and observe and learn. He begins to learn that there are so many wonderful things in the world and that they make this world a wonderful place to be in. He teaches the art of being grateful and happy for what's around us.'

-Dan Rubin, www.appsandapplications.com

I loved making 'Grogan the Monster' as part of my Masters of Education at Victoria University. A lot of my art is very dark and moody and comes from conflict and trauma, but for once I was allowed to let my inner child shine - this is a book I think I would want to read as a young child. From all accounts the little kids, (and the big kids), love it!

When you purchase this book; you are supporting an independent artist who values their own work, and also you contribute directly to essential and necessary funding for children with complex 'mental health' issues.
