About my PhD Research

I wear a few different hats and am an artist, human rights-awarded autobiographer & writer, public speaker/recovery expert, and PhD in arts based research and narrative inquiry.

I provide services to clients on the NDIS, and it is my privilege to offer therapeutic support via my unique arts-life-coaching for marginalized people with mental health & other issues in Melbourne.

If you're looking for help for yourself or someone you know who is on the NDIS to get a 'leg up' with a good dose of light-hearted humor and lived experience with secular ethics that hold kindness in the greatest regard—you just found him!

Read here how I can help!

Public Service Announcement:
Last will and treatment:

It is possible I will make money when I die.

In the event of my eventual death:

This website is to be kept going for as long as the internet exists. This website is geared as a small business and all the money goes to my PayPal account: richie@richmclean.com.

In the event of my death, whether intentional or otherwise, this is how the proceeds of any income from this website are to be distributed according to my wishes:

Of any income, royalties, sales or profit, 50% is to go to 'The Banksia Unit', at the Royal Children's Hospital, Melbourne. The rest to be divided up between my nieces and nephew, to be given to them at age 18.

Any money from the sale of my work, books, music, or anything else is also to be divided up in that way.

Thank you for respecting my wishes.
