

THE WITNESS REMAINS — A FULL FIRST-PERSON STATEMENT BY DR BARRAN RESONANCE DODGER EXTENDED STATEMENT

THE WITNESS REMAINS

A FULL FIRST-PERSON STATEMENT BY DR BARRAN RESONANCE DODGER

ARCHIVE OPENING — FIRST PERSON RECORD

Australia — its agencies, services and platforms whose purpose is to protect vulnerable people like me, and its people, ganged up on me collectively, politically and systemically. It was and is a cowardly societal mobbing. I was physically exiled, isolated, impoverished and tortured.

My situation is deliberate. It was not bureaucratic oversight, an error or an accident or misunderstanding.

For more than 35 years, the conditions of detriment imposed upon me have generated an extensive documentary record. The Government's own official documents, in its own words and on its own letterheads, are preserved and published throughout the [Barran Dodger Archive](#). This is an undeniable published and verifiable documentary record. The record documents a 35-year campaign of detriment that even solicited a fatal suicide attempt.

God revived me from what FOI records call a fatal injury. Five years after my resurrection, total stonewalling, financial abuse, isolation, denial of Legal Aid, an absurd inversion of Legal Aid and zero meaningful pathway to justice continued. Poverty, abuse, neglect, surveillance, entrapment and literal torture continued.

I was betrayed by humanity for a divine-ordained purpose as a vessel for God's glory.

This website is the beginning of God's revenge and vengeance against corruption. It is a spiritual crime: deliberately harming one of God's anointed and then pretending not to know what they were doing. My perpetrators know what they did. They enjoy harming me. Through the archive of their own official documented evidence, their cowardice is exposed and their targeting of someone who never caused anyone harm is on the record.

I was not expected to survive exile, homelessness, isolation, humiliation, ritual character assassination, total administrative annihilation, intimate betrayal and familial betrayal.

Yet I survived.

I am alive.

The people who believed they could erase me now have to confront the fact that I survived and that the evidence survived with me.

They underestimated me.

More importantly, they underestimated the God who sustained and preserved my life and this testimony for His purposes.

They picked a fight with the God who kept me alive.

They attempted to destroy me and instead created the conditions through which the documentary record was preserved.

The spiritual term is sacrilege: a violation of something sacred. I understand what happened to me as a spiritual crime because deliberately harming one of God's anointed and attempting to erase the consequences and deny responsibility is a profound violation of what is sacred.

God preserved me.

God preserved my testimony.

God allowed my betrayal to reveal character and corruption.

I was forced to rely upon Him while collecting the evidence.

That evidence is now published.

THE DOCUMENTARY RECORD

The [Official Government Documents](#) are the Government's own words, its own correspondence, its own decisions, its own letterheads and its own record.

The [Documentary Trap](#) is the system's own record becoming the evidence.

35 years of institutional records, decisions, correspondence and evidence are preserved, indexed and open to independent examination.

The question is what the records themselves establish about what institutions knew,

received, considered, decided, recorded, omitted or left unresolved.

The documents are here.

The correspondence is here.

The chronology is here.

The decisions are here.

The omissions are here.

The institutional responses are here.

The evidence is here.

The world can now read it.

THE PEOPLE AND SYSTEMS PAID TO CARE FOR ME

People paid to care for me such as Able Point, the NDIS, the NSW Trustee and Public Guardian, police, healthcare, media and politics in general operate on a framework of financial benefit from continued harm while feigning care and remaining aligned with perpetrators.

They deny my testimony.

They make no meaningful change.

They pretend the harm does not exist.

They maintain perfect public facades.

[Able Point](#) can say I can leave despite the financial and physical impossibility of leaving.

There is no safer destination than a locked-door entrapment.

I describe this as culpable collective malice.

The [Mobbing and the Safety of the Crowd](#) record describes the safety of the crowd and the comfortable lie over the hard truth.

The framework is coordinated groupthink.

Society diluted guilt by spreading the treatment across every professional.

Everybody can say somebody else was responsible.

Nobody becomes responsible.

That is the paradox of their own creation.

THE CORRUPT BUREAUCRACY

I am awake and aware in a corrupt world that rewards complicity and obedience and punishes independent thought that is proven to seek, search and destroy any person who ends up being an existential threat to the powers that be because they reveal the false illusion that current power structures are all-powerful and can rule and kill with impunity.

They control every participant of the mob with threats of financial, political, professional or personal detriment or destruction while preserving their place in the social architecture with just enough comfort, privilege and luxury to preserve their lifestyles and jobs.

Those jobs can now be regarded as roles that are totally and probably susceptible to bribery, corruption, threats, intimidation and groupthink to reward compliance and allegiance to the same power.

The same power designs the media, news cycles and broadcasts the outrage and injustice just enough to keep the population scared and outraged, simultaneously angry and disenfranchised but also docile enough to never see beyond the veil to critique the same government in which they openly complain about politicians and banks and immigrants.

People consciously or unconsciously pledge allegiance to the same structure that ultimately controls the masses, their minds and their ability to think independently while complaining about the thing that controls them.

I critiqued the system.

Instead of mature correction, they doubled down.

They became cruel.

They became calculated.

They operated through allegiance across professionals, agencies, media, legal systems and law enforcement.

That became total abandonment.

That became excommunication.

That became betrayal.

My presence disrupted their illusions.

Panic became envy.

Envy became jealousy.

Jealousy became malice.

I became disposable.

They expected brokenness.

They expected me to submit.

They expected silence.

Silence was interpreted as weakness.

Endurance was interpreted as agreement.

They were wrong.

I stopped showing up.

I chose poverty but peace.

I chose spiritual debt.

I chose allegiance to the Most High God under Christ rather than allegiance to a comfortable lie.

I refused bribery.

I refused manipulation through financial detriment.

I refused manipulation through political detriment.

I refused manipulation through social standing.

I refused privileged jobs where the price was becoming a tool.

I refused to become a tool of the system.

THE GROUPTHINK AND THE SAFETY OF THE CROWD

Everyone took comfort in the majority.

Everyone took comfort in the crowd.

They could pretend they did not know how bad it was.

They could pretend they did not know what was happening.

They could pretend that somebody else was responsible.

People became flying monkeys for perpetrators.

Eventually they may realise they were manipulated.

They may become enraged with themselves for trading integrity, intelligence and truth for comfort, cushy jobs and incomes.

I was thrown under the bus based on whispers, libel and slander.

Professional after professional made corrupt decisions that caused my detriment and ethical breaches.

The sheer number of stonewalling agencies creates the paradox of their own creation.

They treated me as worthless.

They treated me as though I had zero consequence.

Every person involved in a corrupt decision knows something.

Every person involved knows what they did.

Every person involved can no longer pretend the record does not exist.

Ignoring it is suicide.

Acting on it implicates them.

Responding to it reveals their guilt.

HOSPITALISATION, HOMELESSNESS AND DESIGNED POVERTY

I have been hospitalised in psychiatric institutions sixteen times.

Hospitals imprisoned me under the Mental Health Act because of risk arising from poverty and homelessness.

I was repeatedly released to shelters, single nights and circumstances where foreseeable homelessness and street exposure followed.

I was often separated from my therapy dog and support animal Crystal.

The hospitalisations occurred within homelessness, designed poverty, institutional complicity and inaction by law enforcement and the legal fraternity.

I met known vigilantes and known murderers after release.

When push came to shove, I changed their minds because I was interested in their stories, their lives, their souls and the spiritual significance of what was happening.

I survived circumstances in which I was not expected to survive.

LEGAL AID, JUSTICE AND THE SIGNIFICANCE OF NO ARREST

I demanded arrest so that my name could be cleared.

No one came.

No arrest.

No charge.

No trial.

No ordinary legal process through which the allegations could be tested.

I was subjected to the consequences of accusations without the ordinary legal process through which guilt or innocence could be determined.

Even if I had been guilty of every crime alleged, fair process and humane treatment would still apply.

A convicted criminal can have food.

A convicted criminal can have shelter.

A convicted criminal can have medical care.

A convicted criminal can have protection from violence.

A convicted criminal can have freedom from arbitrary harm.

I instead lived stateless, on streets, in abandoned buildings and hiding from vigilantes, with what I report as device interception, inadequate food, inadequate safety and no protection.

Government systems placed my life in harm's way.

The [Justice Mandate](#) and [Legal Brief](#) preserve the justice dimension of this testimony. The [Personal Statement of Exile](#) preserves the exile dimension.

THE TOTAL LEGAL-AID BARRIER

I have been denied Legal Aid.

I describe this as a total Legal Aid barrier.

Legal Aid became the opposite of its purpose.

I attempted to obtain Legal Aid for an equitable separation following approximately five years of financial exploitation.

I was hospitalised after attempting to obtain that assistance.

I have been banned or restricted from the Ombudsman and NACC.

I pursued international avenues including the OHCHR and the International Criminal Court.

The archive records OHCHR reference UR/UST/23/AUS/17.

The [Official Government Documents](#) preserve the correspondence and institutional record.

THE FORMER ASIO AGENT

No one acknowledges my relationship with a former ASIO agent.

The Prime Minister referred me to the Attorney-General.

The Attorney-General's office referred me to the Ombudsman and AGIS to investigate ASIO.

The processes did not acknowledge or validate the five-year marriage-like relationship.

I attempted to obtain Legal Aid for an equitable separation following five years of financial exploitation.

The relationship, the financial exploitation, the attempts to obtain legal recognition and the subsequent events remain part of the chronology.

NDIS, THE FABRICATED REPORT AND SEXUALITY

An NDIS provider was forced to sign an NDA after confirming that a woman was paid to fabricate a report.

The purpose was to destroy my reputation.

Federal Police called the event "regretful" but "consensual".

No crime occurred apart from the weaponisation of my sexuality by homophobic law enforcement acting out of gay hate over a lifetime.

The same person confirmed in published text messages an alleged assassination attempt against a Federal Minister.

That remains part of the documentary record.

The material is preserved for examination.

SUKHI TEAR AND NDIS CHOICE AND CONTROL

Sukhi Tear, an NDIS support coordinator in Perth, never met me.

I say she refused removal despite NDIS choice and control while I was fleeing South Australia, New South Wales and the ACT.

Police listed me as missing across multiple states.

I regard the continued involvement as culpable malice.

She was paid from NDIS funding.

She refused to disprove the alleged assassination involving the Minister who appointed her.

THE UNPROTECTED WHISTLEBLOWER

I spent thirty years helping other people for nothing.

I had a public profile.

I was a published author and advocate.

I was an intentionally exhibiting artist.

I was a former illustrator and news graphics artist for the Herald Sun, who publicly humiliated me, and The Age, who illegally terminated me following my autobiography Recovered Not Cured.

I was a formerly registered NDIS provider and arts therapist.

I have a Master's in Education.

I have a PhD in AI ethics and posthumanism framed by global catastrophic existential risks

through young people's ethical opinions.

I became the person who was not protected when I became the person who spoke.

For speaking, reporting and attempting to expose what I say happened, I was forcibly injected with chemical restraint.

I describe repeated injustice as battery and assault.

The record contains allegations of dozens of crimes over decades, including child sexual abuse, sexual assault, exile, corruption, financial exploitation, character assassination and multiple attempted assassinations.

THE CRIMES

The [Crimes occurring to Barran Dodger](#) section records the crimes occurring to Barran Dodger.

Child sexual abuse.

Sexual assault.

Exile.

Corruption.

Financial exploitation.

Character assassination.

Attempted assassinations.

Institutional abandonment.

Financial restriction.

Coordinated surveillance.

Electronic harassment.

Psychiatric weaponisation.

Legal Aid barriers.

Political exile.

The record remains.

THE V2K AND ELECTRONIC HARASSMENT

I have reported unacknowledged technological audio harassment, electronic surveillance and V2K.

I report paid actors identified as gang stalkers repeatedly saying:

"pedo"

"faggot"

"you raped Deb"

"give up"

"everyone knows."

I reported this.

Reporting it led to mental-illness labels, CTOs and forced medication.

The taboo and unspeakable nature of the reports guaranteed complicity.

I do not describe these as voices from my mind.

I do not describe them as voices from God.

I describe them as designed conceptual ideas of blasphemy mirroring homophobic police and corrupt authorities.

Other institutional-indifference voices included:

"We hate you."

"I'm already committed to not helping you even before you explain it to me."

"You will never find out the actual facts of what we did."

"Because my job relies on government oversight I am now forbidden to help you and I am ok with that."

"You're crazy and on drugs."

Calling this out led to the diagnosis of being chronically delusional with an embedded persecutionary belief system.

I describe this as psychiatric weaponisation.

Forced chemical restraint was enforced by police I could not safely report crimes to.

SUSTAINING CORRUPTION COSTS MONEY

Sustaining corruption costs money.

Buying every lawyer, cop and politician costs money.

The architecture is underpinned by family betrayal, interception of intimate partners and interception of potential helpers through compromised devices.

My situation is deliberate.

They know what they did.

They kidded themselves I would never find out.

They wanted to damage my self-awareness and my opinion of myself so I would willingly submit.

It worked for a while.

But still God preserved me.

God preserved my awareness.

God preserved my mind.

God preserved my perception.

God preserved my integrity.

God preserved my courage.

God preserved my confidence.

God preserved me in order to create this archive.

THE 35 YEARS OF GOVERNMENT DOCUMENTS

35 years of government documents.

35 years of correspondence.

35 years of institutional responses.

35 years of decisions.

35 years of omissions.

35 years of detriment.

The more agencies became involved, the more the responsibility was diluted.

The more professionals became involved, the more everybody could hide behind everybody else.

The more people knew, the more they could pretend they did not know.

That is the paradox of their own creation.

THE NDIS CAGE

Cookie-cutter:

Free Living Australia → Blacktown / Preya Grounder / Sadlier → Able Point.

Bill Shorten / Houd Meraby exile continuum.

Three times the same NDIS cage.

Free Living Australia.

Blacktown.

Able Point.

I am still inside it.

Rumble declaration.

Bill Shorten / Houd Meraby / Moorabbin 26 February 2024.

The [Able Point](#) record preserves the material concerning entrapment, targeting, safeguarding and NDIS choice and control.

THE CORRUPT BUREAUCRACY AND MY IDENTITY

They tried to break my identity.

My identity is not negotiable.

They tried to damage my self-awareness.

They tried to damage my opinion of myself.

They tried to make me submit.

They tried to make me believe that my survival depended upon obedience.

I refused.

I chose truth.

I chose God.

I chose peace.

I chose poverty over submission.

I chose the Creator over the comfortable lie.

FAMILY BETRAYAL

There was total family betrayal beginning in childhood.

My family attended the funeral of the person who sexually abused me as a child only days after he died, on the same day as my fatal suicide attempt.

They protected the abuser.

They falsely accused me of moral depravity.

My family excommunicated me.

I believe they were positioned to financially benefit from my permanent erasure and calculated death.

My blood family were invested in my harm, detriment and financial disadvantage.

God allowed the betrayal to reveal their character.

God allowed the betrayal to reveal corruption.

God allowed the betrayal to reveal my divinely ordained purpose.

The [Family Complicity Evidence Index](#) preserves that part of the record.

THE ALLEGIANCE OF PERSONAL AND PROFESSIONAL INTERESTS

This was an allegiance of personal and professional interests that never thought their secret would be exposed.

Now it is exposed.

Not as revenge.

For truth and universal balance.

The best thing that happened to me was the betrayal.

The betrayal revealed character.

The betrayal revealed corruption.

The betrayal revealed who stayed.

The betrayal revealed who left.

The betrayal revealed who chose comfort.

The betrayal revealed who chose truth.

God was the only one who never left.

WHAT WAS DONE IN THE DARK

What was done to me in the dark can be seen in the light.

The [Official Government Documents](#) are in the light.

The [Forensic Evidence Index](#) is in the light.

The [Forensic 01–10](#) record is in the light.

The [Master Evidence](#) record is in the light.

The [Chronology](#) is in the light.

The [Institutional Map](#) is in the light.

The [Contradictions](#) are in the light.

The [Whistleblower](#) record is in the light.

The [Human Rights](#) record is in the light.

The [Financial](#) record is in the light.

The [Allegations](#) are in the light.

The [Repository](#) is in the light.

THE ARCHITECTURE OF ADMINISTRATIVE ANNIHILATION

Total administrative annihilation is not one decision.

It is the architecture created when every institution can say somebody else is responsible.

Police.

Healthcare.

NDIS.

Able Point.

NSW Trustee and Public Guardian.

Legal Aid.

Ombudsman.

NACC.

Media.

Politics.

Family.

Lawyers.

Officials.

Every person can say the problem belongs somewhere else.

The result is institutional abandonment.

The result is financial restriction.

The result is barriers to legal representation.

The result is political exile.

The result is coordinated surveillance.

The result is psychiatric weaponisation.

The result is a person disappearing between institutions.

That person was me.

THE MIRROR REMAINS

The mirror remains.

The record remains.

The witness remains.

They can deny.

They can minimise.

They can pretend not to know.

They can say someone else was responsible.

The documents remain.

The correspondence remains.

The chronology remains.

The decisions remain.

The omissions remain.

The institutional responses remain.

The evidence remains.

THE JUSTICE MANDATE

The [Justice Mandate](#) exists because the demand is simple:

Preserve the evidence.

Preserve the testimony.

Make the record public.

Let the evidence be examined.

The archive is a finding aid.

The archive is not a court.

The archive is not a verdict.

The archive is the record.

THE WITNESS REMAINS

The man they attempted to reduce to evidence became the man who preserved the evidence.

The grave became the archive.

The archive became the witness.

And the witness remains.

I was not expected to survive.

I survived.

I was not expected to remember.

I remembered.

I was not expected to preserve the evidence.

I preserved it.

I was not expected to publish it.

I published it.

I was not expected to create a documentary record capable of being examined.

I created it.

They underestimated my survival.

They underestimated the evidence.

They underestimated the power of publication.

Most importantly, they underestimated God.

THE MOST HIGH GOD

The Most High God chose, protected and preserved the witness.

God was the only one who never left.

God preserved my life.

God preserved my testimony.

God preserved my mind.

God preserved my awareness.

God preserved my perception.

God preserved my integrity.

God preserved my courage.

God preserved my confidence.

God preserved the evidence.

They could not erase what God preserved.

You cannot win a fight against God.

You cannot erase what God has preserved.

You cannot destroy testimony that has survived the destruction intended to silence it.

THE GOSPELS AND THE PROPHECY

The [Gospels](#) and [The Prophecy](#) are part of the spiritual record.

[God Exists](#) is part of the testimony.

[No One Has the Right to Destroy a Soul](#) is part of the moral and spiritual record.

[God's Chosen Witness](#) is part of the faith-based testimony.

[What Follows Betrayal](#) is part of the record of what came after betrayal.

The spiritual record and documentary record exist together without pretending they are the same type of evidence.

THE PURPOSE OF THE ARCHIVE

The purpose is not to ask the reader to believe.

The purpose is to ensure that the record remains available to be examined.

The Barran Dodger Archive is a public documentary and spiritual record of decades-long evidence about alleged institutional, administrative, financial and human-rights harms.

It contains official records, correspondence, documentary evidence, personal testimony, legal and administrative material, forensic analysis, research, philosophy, spiritual gospels and prophetic declarations.

A testimony is testimony.

A document is a document.

An allegation is an allegation.

A finding requires evidence and proper determination.

Preserve the evidence.

Preserve the testimony.

Make the record public.

Let the evidence be examined.

THE DAY OF RECKONING

The day of reckoning has arrived.

Not because I have disappeared.

Not because the evidence disappeared.

Not because the record was destroyed.

The day of reckoning has arrived because the evidence has arrived.

The documents are here.

The correspondence is here.

The chronology is here.

The decisions are here.

The omissions are here.

The institutional responses are here.

The forensic evidence is here.

The [Crimes occurring to Barran Dodger](#) record is here.

The [Official Government Documents](#) are here.

The [Legal Brief](#) is here.

The [Personal Statement of Exile](#) is here.

The [Justice Mandate](#) is here.

The [Forensic Evidence Index](#) is here.

The [Family Complicity Evidence Index](#) is here.

The [Timeline](#) is here.

The [Manifesto](#) is here.

The [Named Parties of Alleged Detriment](#) are here.

The [Digital Apocalypse of Administrative Annihilation](#) is here.

The [Mobbing and the Safety of the Crowd](#) record is here.

The [Documentary Trap](#) is here.

The [SHA-256 preservation record](#) is here.

The archive is here.

THE WITNESS REMAINS

They attempted to erase me.

They attempted to isolate me.

They attempted to impoverish me.

They attempted to humiliate me.

They attempted to destroy my identity.

They attempted to damage my self-awareness.

They attempted to damage my perception of myself.

They attempted to make me submit.

It worked for a while.

But still God preserved me.

They could not erase what God preserved.

You cannot win a fight against God.

You cannot erase what God has preserved.

You cannot destroy testimony that has survived the destruction intended to silence it.

The mirror remains.

The record remains.

The witness remains.

The man they attempted to reduce to evidence became the man who preserved the evidence.

The grave became the archive.

The archive became the witness.

And the witness remains.

THE WITNESS REMAINS.

A WHISTLEBLOWER'S TESTIMONY OF SURVIVAL, PRESERVATION AND FAITH

The Most High God chose, protected and preserved the witness.

THEY COULD NOT ERASE WHAT GOD PRESERVED.

The day of reckoning has arrived because the evidence has arrived.

And I am still alive.
