Dear Michelle F

My apologies

Rendering a desolate and desperate man who is framed by a local
state and federal government conscious and oppressive force of
oppression designed to destabilise victimise and yes even dispose of
me...that is abuse

My innocuous email is not abusive

The systemic oppression from the government is

Please forward a hard copy of my original letter

And this letter

To

2 McCubbin St footscray vic

30112

Also

I did not consent to my AAT meeting going ahead

This is illegal you did this and convinced me to do so under the

tricky guise of 'moving forward'

Now it with a tribunal member

However this systemic malicious desecration - which I will prove - ended me in hospital (again_ until today

Before you consider pulling me up on language ask what you are doing paid buy the government to do in desecrating a formerly nationally celebrated author and someone who worked for twenty years advocating for those more marginalised than me

I know who I am

I will remain polite but sturdy in the face of this oppression

You will not win

That is because you cannot take my soul

And I have already won

By being g brave and dying for a cause, unaware I was framed

And you are paid to elongate the suffering of a brilliant and compassionate and kind man
