HTTP 404 at capture. PDF is the GitHub Pages not-found response, not a holdings page.

This PDF is a print of the public GitHub Pages response at the time above.

It records that the page was served. It does not decide any allegation.

The following pages are the Chromium print of that URL. Cover sheet excluded from the body hash.

404

File not found

The site configured at this address does not contain the requested file.

If this is your site, make sure that the filename case matches the URL as well as any file permissions.
For root URLs (like `http://example.com/`) you must provide an `index.html` file.
