Official Government Documents

Clear named entries. Each title hyperlinks to the source PDF. Sourced from this repo's official-drive folder, Backup documents, and the government-evidence catalogue.

Finding aid only. A listed file exists in the archive. That does not prove every statement inside it. Not a court. Not a verdict.

Drive and Gmail, 3 October 2026

A further batch from richarddrawsstuff@gmail.com, the same person, is listed at [this Drive, 3 October 2026](#). Byte-identical letters already on this shelf were not copied again.

Seven official letters that were not already on this shelf. Each opens in a new window. A link is not a finding. The two 2026 Ombudsman and NDIS letters had no PDF attachment in Gmail, so those two files are reading copies of the emails.
