Work with the archive

The creator's own work can be discussed as writing, archival research, documentary consultation, publication, visual communication, and the design of an evidence archive. This page does not offer legal advice, medical advice, or any other regulated practice.

No fee card is published, because no booking or payment link is connected. Writing does not mean a court appearance. Consultation does not mean a finding.

Use the contact already printed on the [support pathway](#). This page does not invent a new address.
