This PDF is a print of the public GitHub Pages response at the time above.

It records that the page was served. It does not decide any allegation.

The following pages are the Chromium print of that URL. Cover sheet excluded from the body hash.

Support the archive

Send money from your own bank app. This page does not run a card checkout.

PayID 0431300940

Commonwealth Bank

Account name Richard McLean

BSB 063307

Account 10140384

Open the bank app, choose PayID or Pay Anyone, enter those details, and send any amount. Use Archive as the description. The evidence stays free either way.

PayID and bank transfer

Copied from the home page. Not a new account.

PayPal and a Stripe payment link are not on this page. A secret key will not be added to the repository. A public PayPal.me link, or a public Stripe payment link, can be added when you send it.

Buy or support publications

The publications page is open. No shop is connected, so nothing is for sale here.

Contact for support or collaboration

Write using the contact already printed on the support pathway. No new inbox was created.

Contributions, once a real method is connected, would be for hosting, the domain, preservation, digitisation, research, accessibility, publication, and keeping the site up. They are not a condition of reading the evidence.

PayID addresses already printed on the preserved site, and the checked ABN, remain on the [support pathway](#). That page was not replaced. The old address barrandodger.com/donate returned 404 on 4 October 2026 and is still not a live button.
