How can I help you? 17:05

hello 17:05

Good afternoon RM. 17:05

Can you first please confirm if your legal matter is based in the state of Victoria?17:05

I need a legal advocate because Comcare rejected me it went to AAT and now it is17:05

going to a hearing and they will destroy me I have a brain injury and mental illness17:06

I am in victoria17:06

Thank you RM. Can you please give me a brief overview of this story? 17:06

if you do not help me I may lose two million dollars and I have no food17:07

My work cover was rejected by Comcare by Paul fowler the old boss at work safe. Work safe refused to help - Paul fowler is old boss at work safe and rejected me from Comcare - corrupt. Then it went to act but in the meantime I killed myself from the oppression but they revived me - now I have a brain injury the cat heard my case but I did not consent because the government had a lawyer

and I am just me. now it is going to a hearing - I may lose my work cover and I may lose a TPD of millions if you refuse to help17:09

ps can you be banned from getting legal support through legal aid? I have tried unsuccessfully for years. my former partner was an asio agent17:09

this movement to desecrate and kill me. I demanded whistleblower protection and said I didn't need life line. I know what's happening - she oversees Comcare and the AAT and AHRC and AFCA and APRA and ASIC - they all acted against me17:11

I was begging for her help - her letter told me to call a help line. They will BURY me at the AAT17:11

I dont even kn ow what a hearing is...they are setting me up to fail- they have already murderd me - then they covered it up17:12
